

FLOW SWITCH

Applicable for Vertical Flow Direction

Dear sir,

“BOMBAY INSTRUMENT MFG. CO.” make Flow switch for water with detail specification as follows.

- Application : Water / Any Non-corrosive liquid.
- Switching Housing : Aluminium
- Inlet & Outlet conn : Brass Plated
- Flow pass from switch : Visible
- Metering/pass tube : Crystal clear
- No.of contact : 1.SPDT
- Current rating : 24 V
- Max. working pressure : 4 kg/cm
- Hyd. Test. Pressure : 4.5 kg/cm
- Max. working Temp : 70C
- Flow/mountiry : Vertical
- Accuracy : 5% of normal flow
- Repeatability : 2% of normal flow
- Cut-off range : Adjustable.

Range	Connection
1 GPM	1/2' Hose Nozzle OR 3/8" & 1/2" BSP(M) threaded
2 GPM	----- DO -----
4 GPM	----- DO -----
6 GPM	3/4' Hose Nozzle OR 3/4" ; 1" ; 1 1/4" ;
8 GPM	----- DO -----
10 GPM	----- DO -----
12 GPM	----- DO -----1 1/2" BSP(M)
